Headteacher: Mrs M Waters (BEd Hons, NPQH)

Consultation on the Academisation of St Christopher's Catholic Primary School, Stockport

The governing body of St Christopher's has recently applied for any academy order and is considering joining the Corpus Christi Catholic Academy Trust. The governing body is now consulting, until 28th April 2025, on whether the school's conversion to academy status should take place. Further information about what becoming an academy means, and how to comment on the proposals, is set out below.

Will St Christopher's Catholic Primary School definitely become an academy?

The governing body has submitted an application to convert to academy status and is working towards a conversion in September 2025. However, the school is not obligated to become an academy until the contract between the Corpus Christi Catholic Academy Trust (CCCAT) and the Department for Education (known as the Funding Agreement) is signed. The CCCAT will not sign the Funding Agreement until a full consultation has taken place.

What is an academy?

An academy is essentially an independent school which is funded by the state. It is independent of the local authority and receives its funding direct from central government.

What are the benefits of being an academy?

- As academies are independent of local authority control, they have more freedom about how they conduct themselves
- Academies receive their funding direct from central government which means schools receive more funding
- Academies have more freedom over the curriculum taught
- Academies can set their own pay and conditions of service for their staff, subject to normal employment law protections for staff
- Academies have more freedom to undertake innovative projects

Are there any disadvantages to becoming an academy?

- Once the school has converted. There is currently no route to revert back to being a maintained school. Academy conversion is a permanent change.

Will the admissions arrangements change?

"Our school mission, in partnership with parents and parish, is to create a caring, worshipping community rooted in Christ's teaching where everyone can achieve his or her full potential."

As a voluntary aided school, the governing body of St Christopher's deal with its own admissions arrangements. As an academy, the CCCAT, will deal with admissions arrangements and would also still be bound by the national School Admission Code, and School Admission Appeals Code. The current admissions arrangements will remain in place for the time being. If the academy wanted to change its admissions arrangements consultation would be required. As a Catholic academy, priority would continue to be given to children of the faith in accordance with the rules in the School Admission Code.

Will there be staffing changes?

If the school converts to an academy, all staff currently employed by St Christopher's will automatically transfer to the new academy on their current pay and conditions. Although the academy will have more freedom to amend those pay and conditions in the future, the governing body does not intend to take such a step in the foreseeable future and in any event, any change to pay and conditions would need to be consulted upon with staff representatives. CCCAT does, and will continue to, follow the Catholic Education Service's policies and guidance on employment matters.

Will St Christopher's Catholic Primary School change?

We are very proud of our wonderful school and its rich history. We are passionate about retaining our school's ethos and the feeling of belonging to a family school, with strong parish links. For pupils, it is unlikely that they will see much, if any, changes in their day to day school lives. We do not intend to change the school except in ways which we think will improve the school even more.

Academies do have the power to vary their curriculum and vary the length of the school day, however, it is not intended to take such steps at this stage and would engage with parents/ carers, staff and pupils if we did ever intend to make such changes in the future.

How can I find out more?

If you wish to find out more information, please attend our meeting on Wednesday 02nd April 2025 at 2.15pm in the school hall.

More information about academies can be found on the DfE website:

<http://www.education.gov.uk/academies>

More information about the Corpus Christi Catholic Academy Trust can be found at:

<https://www.corpuschristitrust.co.uk/>

How can I respond to the consultation?

To respond to the consultation on whether the conversion of the school to academy status should take place representations can be made in writing to:

The Governing Body

St Christopher's Catholic Primary School

Warwick Road

Stockport

SK6 3AX

*"Our school mission, in partnership with parents and parish,
is to create a caring, worshipping community rooted in Christ's
teaching where everyone can achieve his or her full potential."*

Or by email to:

admin@st-christophers.stockport.sch.uk

If you wish to email your response please ensure the subject of the email reads: **Response to Academy Consultation**

The closing date for representations to be made is 12pm on 28th April 2025

A handwritten signature in blue ink, appearing to read 'M Standing', with a long horizontal flourish extending to the right.

Matthew Standing
Chair of Governors

*“Our school mission, in partnership with parents and parish,
is to create a caring, worshipping community rooted in Christ’s
teaching where everyone can achieve his or her full potential.”*
